of the month)

Kayak Transportation Solutions

For all kayakers young and old; here is your chance to learn about the latest kayak equipment transportation solutions. If you were thinking about upgrading your gear, check it out at our meeting this month, when Rack N Road will be demonstrating their products for you. Weather permitting, the demo will be held in the parking lot. So come early, so we can see it in the daylight and be sure to bring a jacket, just in case it is a cool evening. Later in the Hall we can discuss the details, and continue with our meeting.

Rack N Road is the nation's leader in providing innovative solutions to carry your gear on your vehicle. They specialize in kayak carrying solutions. John Bauer, owner, will be on hand to demonstrate Thule and Yakima's latest kayak carrying accessories. He will also answer any questions you have on the best ways to carry your gear from point A to Point B. Lastly he will be offering a special SNCKC member's discount to Rack N Road stores.

Spring is just around the corner for a new season, let's start it off right.

Social hour 6:00 and meeting to start at 6:30

(We are a little light on articles and photos this month. Be sure to write up your next outing or send in some pictures of upcoming trips to keep this newsletter fun and entertaining for the whole club - Editor)
